

Security Today Announces 2020 Platinum and Gold Winners of The Govies Government Security Awards

Dallas, Texas, March 18, 2020 - *Security Today* magazine, the only integrated product and technology magazine reaching the entire security market and securitytoday.com, the preeminent editorial website for the security industry, announced the 2020 Platinum and Gold winners in The Govies Government Security Awards competition today. The awards honor outstanding government security products in a variety of categories.

1105 Media's Infrastructure Solutions Group launched its government security awards program in 2009. In 2011, this successful program became known as The Govies. Participation in the program has been as strong as ever this year as government security continues to be an ongoing concern.

Earlier this month, an independent panel of judges from the security industry selected the top entries in the 2020 categories and named them winners using criteria including Features, Innovation, User Friendliness, Interoperability, Quality, Design, Market Opportunity, Impact in the Security Industry, Technical Advances, and Scalability. “For more than a decade now, we have had the honor of awarding platinum and gold awards to manufacturers who supply solutions to the many government entities,” said Ralph C. Jensen, editor in chief of *Security Today* magazine. “Today is no different. I’m so pleased with the diversity and quality shown in the products entered in this year’s competition. Our *GovSec* publication has been a guiding light of the newest solutions available to the end user. We’re proud to be part of the government body.”

President and group publisher of the Infrastructure Solutions Group of 1105 Media, Kevin O’Grady, echoed those comments: “I am always thrilled with the great participation we have in The Govies. Seeing all the great entries highlights the ingenuity of the security market.”

In addition to being honored with awards, the winners will be featured on securitytoday.com and highlighted in a future magazine issue.
